BRIEF ABSTRACT OF LETTER.

Reports that- a boy by name G. Veerappa of the W. M. School who was bitten by a mad dog on 13.2.09 was, under the circumstances stated, despatched by Rev: A.R. Fuller to the Pasteur Institute at Coonoor and forwards a bill for Rs 13-14-a received from Rev: Fuller on account of expenses incurred by him on behalf of the patient

NOTES AND ORDERS.

G.o no 11816-51 med 132-04-10 & 23.6.05 authorizes certain medical officers (not lower in grade than that of a Sub Assh Surgeon) by name to despatch patients to the Pasteur Institute ~~Coonoor~~ on their own responsibility and para 3 of G.o no 9274-314 med 229-06-2 & 9.4.09

check that the existing rules re: production of ~~medical~~ a certificate from the Med. officer not below the rank of a Lib Asst Surgeon &c will continue for the present (in cases of patients proceeding to the Institute at Coonoor also). There is no general order as yet empowering all Lib Asst Surgeons to despatch patients to Pasteur Institutes under their certificate. If there were one such, Mr. D. Basappa who was recently appointed Hony. Lib Asst Surg. would probably have granted a certificate to the patient Veerappa, as Mr. Basappa is stated to have ~~seen the dog patient and~~ dressed the patient's wound. Mr. Basappa apparently granted no certificate as he probably presumed that he was not authorized to grant one and so the patient had to pay Rs 8-14-0 on account of railway fare which would have been saved if the patient had obtained a certificate from a med. officer authorized to grant the same. In the case of one D. Shamanna Lib assistant, Bangalore city municipality who went to the Institute at Coonoor for treatment without obtaining a med. certificate, was allowed only the charges which would have been admissible

The S. M. R. Company allow free 3rd class return tickets to patients holding such certificates.

to him, if he had forwarded proceeded to Coonoor with the required certificate vide Cf. o no 12481-3 med 3-07-37 & 29.5.08. Now a question whether the patient in the present case would have given a serious work if he had waited a little to obtain certificate from a med. officer. The boy is stated to have been bitten by a mad dog at 5 P.M. on 13.2.08 when he left Bangalore and hence he could not have obtained the requisite certificate before he left it have not been clearly explained in the Senior Surgeon's letter. There are certain difficulties in the matter of medical officers sending patients to the Pasteur Institute Sometimes a person bitten by a healthy dog may, in good faith, be sent to the by a medical officer to the Institute for treatment & the expenditure incurred on his behalf may then prove to be avoidable, the dog that bit the person concerned being found to be a healthy dog. The Senior Surgeon who was requested to frame a set of rules to obviate difficulties of the kind, represented that medical officers are hampered by rules in such cases, cases may arise in which the detention of a person bitten by an animal, pending exam^n of the animal, would be more disastrous

2 Noted for orders

Order No 3 5.4.09. 3. The first point for consideration is whether Rev: Fuller can claim from Govt the expenses paid by him to the patient. Govt have in their order dated 9th April 1907 empowered certain officers to send at Govt expense indigent persons unconnected with the public service bitten by a rabid dog, for treatment to the Institute at Coonoor - It is a question whether this can be taken to include also the reimbursement to another by Govt of what might have been paid by him to an indigent person for sending him to Coonoor - The order does not contain any such promise but Govt may, as a special case, grant to Rev: Fuller that amount which

4. The Senior Surgeon states that the boy is a poor boy at the Wesleyan School, that he was duly treated at the Institute and that Mr Basappa, Hon. Sub. Apt Surgeon testifies to the madness of the dog. He was therefore a proper subject for Govt concession.

5. Rev. Fuller claims besides batta for journey and batta while at Coonoor, railway charges to and from Coonoor amounting to Rs 8 & 12 as. This clearly, he is not entitled to, as Govt would not have incurred this expense, for the Madras and S. M. *Sir,*

I have the honor to report that a Wesleyan Mission School boy G.Veerappa was bitten by a dog on Saturday 13th February 1909-at 5 P.M. Owing to the lateness of the hour and the difficulty of getting a certificate from a Medical man in time to get the boy off to Coonoor, Rev.A.R Fuller sent the boy on advancing the necessary money. The boy was a poor boy at the Wesleyan School.

Hon: Sub Assistant Surgeon Mr. D.Bassappa who dressed the boy's wound testifies to the madness of the dog. I have the honor therefore to enclose Mr. Fuller's bill for favor of Government sanction being accorded to its being paid from public funds.

The boy was duly treated at the institute, and I believe continues to be in good health.

I have the honor to be,
